APD parking initiative to reduce and enforce parking violations

The Austin Police Department will have a parking enforcement initiative this Saturday, September 26, 2009 during the UT Football Game. The initiative will focus on reducing and enforcing parking violations.

Officers will be monitoring all parking violations, specifically targeting vehicles parking on the sidewalks and roadways around the University of Texas Campus in an effort to keep the public safe. Recently APD has noticed that people are parking on the sidewalks and blocking pedestrian right of ways.

APD is focused on saving lives on the streets and highways of Austin and making Austin roadways safe for everyone through education and enforcement.
